## **President's Letter**

December 11, 2024

Dear Friends

### **Introduction**

It has been a privilege to serve as President and I have enjoyed working with a wonderful group of board members.

Our monthly Sunday Programs are very important to us, and many look forward to attending them. Edie Shean-Hammond has been finding many different kinds of interesting people to present their area of interest. The hope is that those who attend might have a desire to join the Friends, and frequently new members are found this way.

The Friends have supported Hopewell Furnace National Historic Site (the Park) using the donations received from the members. We are most grateful for these donations, and we are always looking for ways to improve what we do.

### **Changes to our Board**

Dave Steele who served as our Vice President this year did a marvelous job helping with our new Friends website providing much of the language on the site. He also did very good job managing our Work Plan.

Becky Hughes picked up the responsibility of maintaining the Friends Facebook page.

Nancy McClelland was able to return to the Board filling in as secretary when needed.

Going forward for the upcoming year Gene Delaplane is returning to serve as Vice President.

### **Recognition**

Recognition needs to be given to all of the Officers and Board members who carry out their areas of responsibility. Each Board member's contributions help move forward the goals of the Friends and is much appreciated.

Special recognition to Edie Shean Hammond for finding interesting people who are able to provide the monthly Sunday Presentations.

Special recognition to Second Vice President Jenn Shelgren who did a fantastic job of organizing the 4th of July writing contest with the local public schools. At the 4th of July Celebration at the Park, the winners read their papers to the audience from the porch of the Iron Master's home. The Friends provided funds for the cash awards to winners of the contest.

Special recognition to Treasurer Peter Hammond who has been handling all aspects of the publication and sales of the various books and DVD. Peter also handles all of the Friends financial transactions and compiles a treasurer's report presented at each of our Board meetings.

Special recognition to Louise Griffiths who takes the Board minutes as well as handling the membership responsibilities.

James N. McClelland Jr,  
President of Friends of Hopewell Furnace National Historic Site
